

Transition Ashtead

Invites you to a free demonstration on
Better Biking for all!

Saturday 4th July

4.45 to 5.45 pm.

You are invited to a demonstration and Q & A session on current biking models and trends including ebikes and cargo bikes

**At Fudge & Sons Bike Shop, 21-25 Upper High St, Epsom
(opposite Odeon Cinema)**

The shop has a wide range of all types of cycles and much expertise in bikes and cycling. This is an opportunity to learn about ebiking before the summer.

No need to book, just show up!

Getting into ebiking!

If you are interested to try ebiking, hiring an ebike on holiday is a good way to start. There are now many accessible cycle trails in the UK with bike hire available.

The Camel Trail, from Wadebridge to Padstow in Cornwall runs along the Camel Estuary.

<https://www.cornwall.gov.uk/environment/countryside/cycle-routes-and-trails/the-camel-trail/>

The Tissington Trail runs from Ashbourne to Parsley Hay in Derbyshire through a 13 mile section of the White Peak

<https://www.peakdistrict.gov.uk/visiting/places-to-visit/trails/tissington-trail>

The Strawberry Line near Cheddar in Somerset is also the route of an old railway line that transported strawberries across the Mendips en route to London.

<https://www.thestrawberryline.org.uk/>

Or start local

Ebikes enable you to cycle further, skip the traffic and can help you manage your own fitness level. You can book a test ride at Fudge & Sons in Epsom and venture onto Epsom Downs or Epsom Common trails.

<https://fudgeandsons.com/>

They offer servicing and technical advice at all their shops for all kinds of bikes.

We hope you will attend this free session organised by Transition Ashted and Fudges & Sons. Bring your questions to the event, on safety features, battery range, regulations, comfort, riding in traffic, luggage capacity, insurance etc.

Need inspiration?
