Dear neighbour,

### Railway improvement work – Epsom and Ashtead area

Further to our previous letter dated 5 May 2022, we're writing to let you know that we'll be renewing the track near your property to improve the reliability of the railway between Epsom and Ashtead. To begin this work, we must carry out some essential maintenance work first from **Tuesday 5 July to Friday 8 July 2022**, with the rest of the main track renewals work to start **from 25 July to 23 September 2022**.

From Monday 25 July until Friday 23 September 2022, we'll be using an area of Ashtead station car park to store our site cabins and staff welfare facilities. During this period there will be fewer parking spaces available for public use and we apologise for any inconvenience this may cause. We'll be replacing rails, sleepers and ballast with the main works starting on **Friday 5 August to Monday 8 August 2022**.

**Arrangements for Ashtead residents** – Please note the Ashtead Level Crossing closure times below. There will be no vehicular, bicycle or pedestrian access over the crossing during these times. The station footbridge and Cattle Creep underpass will remain open at all times.

#### Tuesday 5 July to Friday 8 July each night (00:30 to 05:00) during maintenance works

- **Access for emergency** vehicles will be maintained and prioritised at all times
- **Car parking arrangements** - we're currently confirming car parking arrangements for these nights. If you need further information, please contact us via our helpline 03457 11 41 41 for the maintenance team to be alerted quoting Ashtead level crossing closure.

#### Friday 5 August to Monday 8 August 2022 (23:00 to 06:00 on the Friday and Saturday night and 22:00 to 05:00 on the Sunday night during track renewal works)

- **Access for emergency** vehicles will be maintained and prioritised at all times
- **Car parking arrangements** - Any residents who cannot cross their vehicle during the closure times can park in Ashtead Station car park without charge. The camera operated parking system will be switched off. In the unlikely event that a fine is issued please raise via the Network Rail helpline 03457 11 41 41 and the fine will be cancelled. Work will take place as follows:
