

ROTARY CLUB OF ASHTEAD COMMUNITY SERVICE AWARDS

AWARDS AND CRITERIA

Individual Community Service Award

Nominees for the award should:

- a) Live or work within the borders of Ashtead as defined by address and postcode;
- b) Have voluntarily given their time and service to help other members of the community, and
- c) Have done so in a manner which demonstrates their dedication and commitment to the needs of others over a period of time.

Group Community Service Award

The same criteria as for the Individual Award apply, although provided the Group is based in Ashtead some tolerance may be given to the exact location of member's homes.

Service Above Self Award

This is also an individual award, but differs from the first award in that nominees may have served the community through their vocation or profession rather than strictly voluntarily.

The Rotary Awards Scheme is open to Rotarians and non-Rotarians.
