

Mole Valley Community Fund

The Mole Valley Community Fund is an initiative specifically for the benefit of Mole Valley borough and its residents.

By working in partnership with the Community Foundation for Surrey we have established a permanent fund enabling and encouraging local giving, so that as an area we can respond to local concerns.

There are many reasons to give:

- Help older or disadvantaged residents combat isolation and stay happy, healthy and included
- Increase facilities, training, skills and experience for young people in Mole Valley
- Support district activities, services and community focal points such as village halls

Supporting a local fund like Mole Valley Community Fund is a simple way to help people in your area

CFSurrey are an independent grant-making charity and the central platform for giving in the county.

Apply for funding

Applying is easy!

We are looking for applications for funding to provide services to local residents or to start new initiatives.

Grants can be awarded to improve the lives of those who experience hardship in Mole Valley.

The main aim of the Mole Valley Community Fund is to support initiatives that will make a real difference to the lives of people who live in Mole Valley.

1. For funding requests under £2500, there is a simple one page "Small Grants Form"
2. For larger grants, submit an Expression of Interest form to be considered in the next funding round
3. To talk through your funding queries, contact the team at grants@cfsurrey.org.uk or call 01483 478092

Mole Valley Community Fund is a local resource for the people of the borough.
